They will aid in recruitment of youth for the educational program and ensure the safety, security, and occupation of participants at all times, as well as ensuring that participants and their guardians adhere to all current health and safety guidelines while on site. They will work together with the Director of Education, Stage Directors, and Operations Manager with regards to the usage of any theatre-owned equipment and materials. They will work within the given budget and content guidelines to create and deliver excellent programming for those enrolled in each session of the program and will present a final written report on each session to the Director of Education.
